Dear Hiring Manager,

I am writing to express my interest in the Data Analyst position. With over 3 years of experience in data analysis and a strong background in Python, SQL, Power BI, and Excel, I am confident I can contribute to your team's success.

In my previous role at Delhi Pasand Agro Pvt. Ltd., I helped develop a CRM strategy that drove growth for the company's D2C brand. I also worked on customer segmentation and profiling to create targeted marketing campaigns. At SALEASE, I created dashboards and reports using Power BI and Excel to track key metrics and improve task management.

I also have experience optimizing delivery routes at Retailersbook, which reduced costs by 20%. Additionally, my Data Analytics certification from AnalytixLab further strengthened my skills in data analysis and visualization.

I am excited about the opportunity to bring my skills to Company and help deliver actionable insights that drive business growth. I look forward to discussing how I can contribute to your team. You can reach me at abidimam7@gmail.com or 7890040478.

Sincerely,

Abid Imam
